Per Georgia DOE Board Rule 160-5-1-14 schools must mail or otherwise deliver requested records within ten (10) calendar days of receipt of request. Schools shall not withhold any student record because of nonpayment of fees.

Georgia requires that all students entering Georgia schools for the first time, regardless of their grade level, provide a shot (immunization) record showing that they are adequately immunized. Please include this immunization record in your release.

The final regulations of the Family Education Rights and Privacy Act (FERPA), 1976 (Buckley Amendment) no longer requires written parental consent to release student educational records between schools. These rules state that school officials in school systems in which the student may intend to enroll may release and receive a student’s records without written consent for each release.

EMERGENCY CLOSING INSTRUCTIONS

Should school be dismissed early, we need to know if your child is to ride the bus, go to day care, or be picked up by you. Weather, plumbing, electrical problems or other emergencies could cause us to dismiss early. It is important that arrangements are made in case of these unforeseen events. Sometimes our phone lines are busy so we cannot rely on a last minute phone call for directions. If the need to close early occurs, we would call all day care centers that pick up at our school.

Thank you. We hope we do not need this information. Please discuss this plan with your child.
Dear Parents,

In an atmosphere of true economic concern and faced with impending financial cutbacks, we wish to be as fiscally responsible as possible. One thing we can do is reduce the number of “hard copy” information sheets sent home. Throughout the county, schools are attempting to save toner and paper costs by using email when possible.

We realize that everyone does not have access to email but a large number of families do. One school reported 75% savings by updating their email directory and using email instead of “hard copy” handouts.

Please complete the appropriate portion of the form below and return to the school as soon as possible. If you have a current email address that school information could be sent to, please give that address. If you must continue to receive “hard copy” handouts, please indicate which of your children (for families with more than one child) you would like us to send information home with.

Thank you for your help and understanding in these challenging times.
