Mission Statement

The mission of Indian Creek Middle School is to work together to provide a safe, motivating environment that meets the needs of all learners.

Vision

The Indian Creek Middle School will continue to create a supportive environment that inspires and encourages students to become self-motivated, life-long learners who recognize their personal responsibility to society.

Message from the Administration

Dear Students & Parents,

On behalf of the faculty and staff of Indian Creek Middle School, the administrative team would like to welcome you to the 2007-2008 school year. We are proud to present this edition of the student agenda. Please look over the agenda carefully, and notice the many features that we hope will support your student's organizational practices. In addition, you will notice that there is a daily section designed to enhance home-school communication, and we hope that you will use this feature as a means of communicating with your child's teacher.

The agenda also provides you a yearly calendar which outlines significant dates and explains the mission, vision, and curriculum all of which guide our actions during the school year. The agenda has a section dedicated for passes which enables us to account for student movement during the day. The agenda explains the Board of Education policies, rules, and regulations governing student conduct, as well as the grading, promotion, and retention policies

While the agenda serves primarily as a homework organizer, we hope that it will also teach students skills such as organization, time management, and responsibility. Each student is expected to possess his/her agenda each day, and we hope that you will review its contents with your student on a daily basis. The information provided in the agenda is designed to answer your questions about our school and the general policies related to the school system. If the information you need is not provided, please do not hesitate to call the school office. We are proud of this agenda, and hope that the benefits from its use will be great.

Lastly, we extend an invitation to you to become involved in our school and ask that you read our mission and vision statements on the first page of this book to learn of our commitment to the students of Indian Creek Middle School. In addition, notice that we firmly believe in the cooperative effort of teachers, parents, and community in leading our students. Plan now to become involved and rest assured that we are open to your suggestions and comments. Have a great year!

At the beginning of the year, teachers and/or teams will distribute a course syllabus to their students. Students are asked to take the syllabus home and review it with their parents. Since the syllabus will include an outline of the course content, grading procedures, expectations for behavior, and other pertinent information it is important that students and parents read all syllabi carefully. Teachers reserve the right to make changes in the syllabus as appropriate.

Teachers may also be contacted via e-mail. Please see your student's information packet for e-mail addresses. Also, check the school's web site:

www.newtoncountyschools.org/indian

EMERGENCY DRILLS

Fire drills are to be held regularly throughout the year. The signal will be one continuous sound on the horn until the building is cleared. All students will move in a quiet and orderly fashion with their teachers to a designated area and remain there until the clearance signal has been given by the office. All driveway areas must be kept clear during fire drills. Tornado and "Lock Down" drills will also be held occasionally.

ENRICHMENT CLASSES

Indian Creek Middle School offers a variety of Enrichment classes during the first period of the day. Sixth and Seventh grade students are given the Enrichment course descriptions in March so that they may select their first period class. Students who exceed the targets in Reading, Language Arts, and Math on the CRCT are placed in classes they have chosen. In order to remain in Enrichment classes, students must maintain a semester average of 80% or higher in all classes and fulfill Accelerated Reader requirements.

GRADING

Middle School will be covered by the Newton County promotion policy. If a student fails two or more classes, he/she will be considered for retention. Summer school is available for students who fail two or three classes. There is a fee for summer school. It is the responsibility of each student to be aware of his/her academic standing and confer with the teacher before difficulties arise. It is important to note that Connections and Physical Education courses count toward promotion requirements. When work is missed because of excused absences, it is the students responsibility to make it up. **The student will have an equal amount of time as the number of absences to complete missed assignments.**

The grading scale is as follows:

90 - 100 A
80 - 89 B
75 - 79 C
70 - 74 D
Below 70 F (no credit)

HALLWAYS

A student must have a signed agenda or hall pass from a teacher in order to move in the hall during the day. Students should move quietly in the building; running in the building is not allowed.

HEALTH RECORDS

Georgia law requires that every student enrolled in a Georgia public school have a current Certificate of Immunization on file. Students who do not provide the school with an approved certificate will not be allowed to remain in school. Students entering middle school must have completed their 2nd MMR immunization and the chicken pox immunization. Students entering the 6th grade from a Newton County school will not be placed on a homeroom roster until documentation of the 2nd MMR and Varicella has been received.

Transfer students have 30 days to furnish the school with the appropriate Certificate of Immunization, although the school prefers this information at the time of registration. Vaccinations and vaccination records may be obtained from the Newton County Health Department or from a private physician. Please note that the vaccination record must be on an official form provided by the Georgia Department of Human Resources.

A waiver may be granted by the responsible official of the school or facility for up to 90 calendar days if the student is a transfer student who moves from an out-of-state school system to a Georgia school system or is a student entering kindergarten or first grade from out-of-state. However, documentation must be on file from the health department or a physician stating that an immunization sequence has been started and can be completed within the 90-day waiver period. The waiver may not be extended, and the child shall not be permitted to attend any school or facility unless the child submits a completed Certificate of Immunization. In addition, those students entering Georgia public schools for the first time must provide an eye, ear, and dental certificate at the time of registration.

HEALTH SERVICES

The Newton County School nurse may make contact with parents regarding any health issues. The nurse will not take responsibility for evaluating signs of illness or injury

that have occurred at home; these should be referred to your family doctor or an emergency room.

CLINIC SERVICES FOR ILLNESS AND ACCIDENTS

Parents will be contacted immediately, should a situation warrant, if their child becomes ill or has an accident at school. In serious situations when a parent cannot be contacted, the principal or principal's designee will request the assistance of local emergency medical personnel. Services will be provided if a medical release has been signed. Judgment in such cases is at the discretion of school authorities, and parents assume financial responsibility.

Please keep your current telephone number, the name of a contact person for emergencies and his/her current number on file in the office. Please be sure to return to the teacher the emergency authorization form at the beginning of the year. Also, make sure that your student has the phone numbers of all authorized contacts written in his/her agenda. Updating information housed in the front office will expedite the process of contacting someone when necessary.

COMMUNICABLE DISEASE

Children having any contagious or infectious disease should not return to school unless cleared by the family physician or Health Department. The following conditions should be considered communicable. Parents should notify the school if their child has been affected by any of these for advice on readmission to school.

Students who have head lice (pediculosis) are to be sent home from school. **Before re-entering school, it will be necessary for parents to obtain a statement from a physician or the Newton County Health Department** stating that the student is free of ALL infestation and any remnants, including dead nits. If the student's head is still suspect, he/she will not be allowed to re-enter school. However, if your child has not been cleared to re-enter on or before the third (3rd) school day from the date he/she was sent home, the matter will be referred to the School Social Work Department. Referrals will be made to the School Social Work Department for repeated cases of head lice.

insurance is required for each student to participate in athletics. Information about insurance will be provided by the homeroom teacher.

JACKETS AND COATS

Bulky jackets and coats/outerwear garments are prohibited from being worn in the school building. These items are unnecessary since the building is climate controlled. Furthermore, this provides additional measures for assuring school safety. Students may wear these items to school but must leave them in their lockers until the end of the day. **Students are not permitted to wear hoods during the day.**

LOCKERS/BACKPACKS

When possible, students are provided locker space in their homeroom classes for storing books and belongings. In some circumstances, it is necessary for two students to share a locker. Every effort is made, in those cases, to assign "locker buddies" who are friendly with one another and who do not mind sharing. Due to limited classroom space, students are not permitted to carry backpacks from class to class during the school day. Small (draw string or similar) gym bags are permitted for carrying gym clothes to and from the gym.

Soft drinks and water are permitted if the drinks are UNOPENED and only OPENED in the cafeteria during the scheduled lunch time. It is not permissible to bring fast food cups with straws into the building. Eating/drinking is NOT permitted in the classroom. Gum is strictly prohibited.

MEDICATION

Newton County Board of Education policy does NOT permit middle school students to be in possession of medication of any kind. Medication will be maintained by school personnel ONLY in special long-term situations. Parents will be required to administer any short-term medications. Parents are requested to contact the nurse/front office

concerning special medical situations. If parents provide aspirin and/or Tylenol and complete required paper work the nurse will dispense those medications.

MESSAGES AND GIFTS

Parents, the school cannot be a message service to your child unless it is a true emergency. We will announce the names of students who have messages at the end of the day only. All rooms including the gym have loudspeakers. **Please do not deliver flowers, balloons, or other items to school. We will not interrupt instruction to get your child to the phone unless there is an emergency.**

MID-TERM PROGRESS REPORTS

Approximately four and one half weeks into each nine week marking period a MID-TERM PROGRESS REPORT will be issued. Parents should sign and return a copy of the report the next school day.

PARENT CONFERENCES

Parents are encouraged to schedule conferences with their student's teachers during the team's planning time. Parents should arrange conferences ahead of time and avoid classroom interruptions. There are four scheduled early release days for conferences. Please check your child's agenda daily.

PARTICIPATION REQUIREMENTS FOR EXTRA CURRICULAR ACTIVITIES

Students must be present in order to participate in any extra-curricular activities that day. Students suspended from school will not participate in any school-sponsored activity during the suspension. Suspension does not end until the student physically returns to school. Students can not participate in any extra-curricular activities while in in-school suspension (ISS). (Refer to county policy.) Students can only fail one class the previous semester prior to participation. The administration of Indian Creek Middle School may withhold a student's participation from any activity based on the student's placement on academic or behavioral probation. **Students who are not promptly picked up from after school events will not be permitted to attend future events.**

PARTNERS IN EDUCATION

We appreciate all that our partners have helped us to do in a joint effort to be a community of learners. We thank out partners for their continued support.

PEER MEDIATION

Mediation is an approach to resolve conflicts. Students who have a disagreement are offered the chance to sit face to face and talk uninterrupted so each side of the dispute is heard. After the problem is defined, solutions are created and then evaluated. When an agreement is reached, it is written and signed. Trained peer mediators are neutral third and fourth persons who lead the mediation process. They help the disputants communicate and come to a solution. Mediators keep all information confidential. Peer mediators are the peacemakers at Indian Creek. They have been trained to listen objectively and respect all points of view. Students may request peer mediation through the Counseling Department.

PROGRESS REPORTS

In order to communicate the progress of students to parents, weekly progress reports are available. Weekly progress reports for students are available upon written or telephone request from a parent/guardian. A student can pick up a progress report from his/her assigned counselor. Parents are asked to sign the progress report and return it to a

counselor by the following Tuesday. Progress reports are to be returned to the assigned counselor before another progress report can be given to the student

REPORT CARDS

Students are expected to take their report cards home. Parents are asked to sign and return the report card to school the next day. Once the homeroom teacher receives the signed copy of the report card, the original report card will be given to the student for his/her record. If you would like the final report card mailed, please have your student bring a self-addressed, stamped envelope to his/her homeroom teacher. During the month of May, **the front office will offer the sale of an envelope and stamp for \$.05 more than the cost of a stamp.** The option to pick up the report card in the front office is available on the third business day following the students' last school day.

SCHOOL HOURS

School begins at 8:30 a.m. and ends at 3:30 p.m. Supervision will be provided from **7:45 a.m. until 4:00 p.m.** This is 45 minutes before and 30 minutes after school. Parents, please make the necessary arrangements to adhere to this schedule. ***Students should not be dropped off prior to 7:45 a.m. by car or bus and must be picked up by 4:00 p.m.***

SEXUALITY EDUCATION

The Science/Health curriculum follows the objectives of the Georgia Quality Core Curriculum and local objective approved by the Board of Education. **Parents who do not wish to have their child participate in class while these objectives are being covered should notify the teacher in writing at the beginning of the semester.**

TELEPHONE USAGE

The school does not provide pay phones for student use. Students who need to use the telephone due to illness or an emergency will be allowed to have office personnel make calls for them in the front office. It is up to the classroom teacher to determine when a real emergency exists. If your child has a special health problem or other situation that causes you to be concerned about communication, please notify all of your child's teachers in writing. All special arrangements, including alternative transportation arrangements, should be communicated to students before they arrive at school except in emergency situations. **Cell phone usage during the school day is not permitted (text messaging, picture taking is strictly prohibited). Students may carry cell phones, but the phone must remain in the OFF position from the time he/she arrives on campus until 4:00 pm. Students are not permitted to use cell phones while waiting in the car rider line, nor are they permitted to use cell phones while riding the school bus.**

TEXTBOOKS

Textbooks are the property of the State of Georgia and the local school system. They are issued to each student and are the student's responsibility. The student has the responsibility to take care of these books at all times. If a book is lost or damaged (beyond the usual wear), restitution must be made to the school. **Lost texts will not be replaced until payment has been received.**

TRANSPORTATION

Students who attend Indian Creek Middle School are provided transportation via school buses. Any student who wishes to ride a different bus to or from school must have a permission note from home that has been approved by an administrator. Students

should bring their permission notes to the front office in the morning and pick them up after the note has been approved by an administrator. All students transported to or from school by parent/guardian should be dropped off or picked up at the front of the school only.

Students who choose to walk to or from school must have their parents sign a waiver allowing them to walk. It has been our experience that riding the bus is a safer option than walking. If you choose for your student to walk, please be aware that he/she will not be dismissed until second bus load is called. Please encourage your student to ride the bus.

VIDEO SURVEILLANCE CAMERAS

All students, parents and staff are advised that as a public school facility, students, staff, parents and building visitors do not have a right to expect privacy in connection with their actions and activities while in, on or about the school facilities. In an effort to increase school district security, provide greater safety for student, staff and building visitors, and to reduce vandalism and theft, many areas of the middle school campus, both internal and external, shall be subject to observation and monitoring by video cameras. The tapes of such observations shall be available for use by the school district and its administrative staff, if necessary, to enforce the law and the provisions of school district policy. Any questions should be addressed directly to the building administration.

VISITORS

Safety is one of our primary concerns; therefore, we have specific visitor procedures that are designed to protect all students and staff members.

All visitors upon entering the building **MUST** first come to the front office to sign the Guest Register and obtain a visitor pass. Students are not allowed to bring visitors to school unless prior written permission has been granted. **Parents wishing to visit a class must have prior written permission.** Parents or legal guardians are the only individuals who may visit a classroom. Former students must sign in if they wish to visit ICMS teachers **before and/or after school.**
