### **Infinite Campus Available for Parent Access**

The Newton County School System's new student portal, Infinite Campus, is now online and accessible to parents. Infinite Campus has replaced the district's previous online program, Student Track.

A Quick Link to Infinite Campus is posted on the Newton County School System website at [www.newtoncountyschools.org](http://www.newtoncountyschools.org) for easy access.

In order to access a student's information, parents will need the child's student identification number and birth date. Parents should contact the child's school if they do not know the student's identification number.

At this time, elementary parents may access student attendance and discipline information. Parents of middle and high school students will have access to attendance and discipline information as well as class schedules and grades.

Parent involvement is a key indicator of student success and Newton County School System encourages parents to be involved in and stay informed about their child's education.

Infinite Campus information is updated daily and is accessible to parents and students on the Newton County School System website 24 hours a day, 7 days a week.

For more information, contact Ms. Sherri Viniard, Director of Public Relations for Newton County Schools at 770-784-2908.
