Proceed north to a point east of Kendall Lane and then northwest of the intersection of Hwy 36 and Ball Ground Road. Proceed northwest to the intersection of Hwy 212 and Pickett Bridge Road. Continue east on the north side of Pickett Bridge Road to a point east of Riverbrooke Trail. Continue northwest to the point east of Oak Meadows Place but west of Pickens Road and continuing northwest to the intersection of Rocky Plains Road and Lower River Road. Continue northwest to the intersection of Hwy 162 S and Stewart Road. Continue northeast to a point southeast of Mountainview Drive and Mountain Ridge. Continue north along the west side of Lower River Road to a point northeast of Fire Tower Road. Continue east across Lower River Rd (up to and including 430 Lower River Rd). Continue east across Flat Shoals Road (up to and including

11223 Flat Shoals Road). Continue northeast to the intersection of Hwy 36 and Woodfield Road.

The boundary for Live Oak Elementary School is as follows:

Begin at the intersection of Fairview Road and Salem Road. Continue following the Rockdale County line northeast to the intersection of the Rockdale County line and I-20. Continue south, but west of Flowers Drive and east of Bentley Place Way and southeast to the intersection of Fairview Road and Magnolia Walk. Continue south to a point south of Landing Lane and north of Queensland Lane. Continue southeast to a point south of Greenfield Way and north of Landon Way. Continue northeast along the east side of Greenfield Way but west of Hoglen Drive. Continue northeast to a point north of Windsong Drive but south of Rolling Ridge Court. Continue southeast to the intersection of Jack Neely Road and Windsong Drive. Continue southeast to a point northeast of Silver Willow Walk. Continue southwest along east side of Silver Willow Walk crossing Kirkland Road. Continue southwest to a point north of Dunning Keep. Continue northwest to a point south of N Greenfield Circle and north of Stephanie Lane to Jack Neely Road and Caney Creek Pkwy intersection. Continue southwest to a point south of Cinnamon Oak Circle. Continue west to a point north of Wisteria Blvd and south of Valley Brook Drive and Creekview Blvd. Continue northwest along south and west side of Creekview Blvd to the intersection of Creekview Blvd and Kirkland Road. Continue northwest to a point east of Salem Cove Trail but west of Summer Walk Circle. Continue northwest following the Rockdale County line to the intersection of Salem Road and Fairview Road.

The boundary for Livingston Elementary School is as follows:

Beginning at the intersection of Lower River Road and Mote Road, continue south along the west side of Lower River Road to a point south of Mountain Ridge. Continue west to the intersection of Hwy 162 South and Stewart Road. Continue west to the intersection of Hwy 81 S and Holly Creek Drive. Continue west to a point west of Willow Shoals Drive and northwest crossing Bethany Road (up to and including 425 Bethany Road). Continue northwest to a point east of Erica Court and Crooked Creek Way. Continue northeast to a point north of Belmont Circle and Atla Road. Continue east to the intersection of Cowan Road and Oak Hill Road. Continue east along the south side of Oak Hill Road to the intersection of Hwy 81 S and Oak Hill Rd. Continue northeast along the north side of Hwy 81 S to a point west of Wynfield Keep and east of Oak Hill Road. Continue southeast to a point south of Roseberry Lane but north of Tempie Lane. Continue east to a point north of Hwy 162 S and Fire Tower Road, south of Rosie Lane and north of Rogers Lane. Continue east to a point northeast of Fire Tower Road. Continue south to the intersection of Lower River Road and Mote Road.

No proposed changes for Mansfield Elementary School

The boundary for Middle Ridge Elementary School is as follows:

Begin at intersection of Emory Street and Stallings Street. Continue east along the north side of Stallings Street to the intersection of Pace Street and Williams Street. Continue east along Williams Street to the intersection of Anderson Avenue and Newton Drive. Continue east along

south side of Newton Drive to intersection of Newton Drive and Elizabeth Street NE. Continue south along the west side of Elizabeth Street NE. Continue to the intersection of Elizabeth Street NE and Floyd Street and continuing south along the east side of Elizabeth Street SE and Conyers St E. Continue south to a point west of Cherry Laurel Drive and Forest Drive and east of Brookhaven Drive. Continue southeast to a point west of Dearing Street SE and east of Cherry Valley Drive. Continue southeast to the intersection of Dearing Street SE and the Covington Bypass Road. Continue southwest along the north side of Covington Bypass Road to the intersection of Covington Bypass Road and Hwy 36. Continue south on the west side of Hwy 36 to a point northwest of Laurie Lane. Continue west crossing Flat Shoals Road to the intersection of Lower River Road and Morningside Drive. Continue north along the east side of Morningside Drive and west side of Lower River Road to the intersection of Hwy 81 and Covington Bypass Road. Continue northwest to a point east of Katie Lane and west of Paula Drive. Continue north crossing Crowell Road south of Ram Drive but north of Plum Street, Birch Street and Laurel Street. Continue northeast to the intersection of Washington Street and Walkers Bend Pkwy. Continue east along the south side of Walkers Bend Pkwy, along the south side of Avery Street to a point north of Indian Creek Circle. Continue north to a point east of Fowler Alley and Fowler Street and west of South Street. Continue northwest to the intersection of Emory Street and Washington Street. Continue north on Emory Street to the intersection of Emory Street and Stallings Street.

No proposed changes for Oak Hill Elementary School

The boundary for Porterdale Elementary School is as follows:

Begin at the intersection of Brown Bridge Road and Georgia Road. Continue northeast along the west side of Georgia Road to the intersection of Jack Neely Road and Caney Creek Pkwy. Continue southeast to a point north of Stephanie Lane and south of N Greenfield Circle. Continue southeast to a point north of Dunning Keep and south of Creekview Court. Continue northeast crossing Kirkland Road on the east side of Silver Willow Walk to a point northeast of Silver Willow Walk to the intersection of Crowell Road and River Field Lane. Continue east along the north side of River Field Lane to a point north of Tara Drive but south of Dinah Circle S. Continue east along the north side of Tara Drive to the intersection of Turner Lake Road and Clark Street. Continue east to the intersection of West Street N and Corley Street. Continue east along the south side of Corley Street to the intersection of Stone Mountain Street and Emory Street. Continue south along the middle of Emory Street to the intersection of Emory Street and Washington Street. Continue southwest to a point west of South Street and east of Fowler Alley. Continue south to a point north of Indian Creek Circle and south of Avery Street. Continue west along south side of Avery Street to the intersection of Washington Street and Walkers Bend Pkwy. Continue southwest to Crowell Road to a point north of Laurel Street and south of Ram Drive. Continue southwest to a point north of Katie Lane and south of Justin Court. Continue west to a point north of Sunflower Lane and Mincy Way and south of Trelawney Lane. Continue west to a point south of Trelawney Run and north of McGiboney Place. Continue northwest to the intersection of McGiboney Road and Georgia Road.

The boundary for Rocky Plains Elementary School is as follows:

Begin at the intersection of Hwy 212 N and Hwy 81 S. Continue north to the intersection of, but on the west side of Hwy 81 S to a point west of Hopewell Church Road and east of Covered Bridge Road. Continue northeast to the intersection of Hwy 81 S and Holly Creek Drive. Continue east to the intersection of Hwy 162 S and Stewart Road. Continue southeast to the intersection of Lower River Road and Rocky Plains Road. Continue southeast to a point east of Oak Meadows Place and west of Pickens Road. Continue southeast to a point east of Riverbrooke Trail and north of Pickett Bridge Road. Continue west to the intersection of Pickett Bridge Road and Hwy 212. Continue southeast to a point west of Fincher Lane and Potts Lane. Continue to the intersection of Hwy 36 and Ball Ground Road. Continue southeast to a point east of Kendall Lane. Continue south to intersection of Conley Ditch Road and Pope Trail. Continue southeast on the north side of Pope Trail to the Jasper/Newton County line. Continue southwest along Newton/Jasper county line to a point south of Polk Road and Campbell Road. Continue northwest following county line to the point where Newton County line intersects with Hwy 81 S. Continue northeast along the west side of Hwy 81 S to the intersection of Hwy 81 S and Hwy 212 N.

The boundary for South Salem Elementary School is as follows:

Begin at the intersection of Oak Hill Road and Smith Store Road. Continue west along the north side of Oak Hill Road to a point east of Fields Creek Way. Continue north to a point west of Clearbrook Drive. Continue northeast to a point north of Sable Circle but south of Glynn Isle Drive. Continue east to the intersection of Smith Store Road and Mills Drive. Continue northeast along the east side of Smith Store Road to the intersection of Smith Store Road and Salem Road. Continue northeast to the intersection of Brown Bridge Road and Trailer Park Road. Continue east along the north side of Brown Bridge Road to the intersection of Brown Bridge Road and Wisteria Way. Continue northeast to a point northeast of Wisteria Blvd but southwest of Bridges Way. Continue east to a point southeast of Cinnamon Oak Cir. Continue southwest to a point east of Alanton Court and west of Georgia Road. Continue southeast through to the intersection of Brown Bridge Road and McGiboney Road to a point northeast of McGiboney Place but southwest of Fieldstone Lane. Continue southeast to a point south Trelawney Run. Continue northeast to a point south of Trelawney Lane but north of Sunflower Lane and Mincy Way. Continue southeast to a point south of Cory Court and north of Mincy Way. Continue southeast to a point northeast of Katie Lane and west of Paula Drive. Continue south to a point southwest of Kevin Court then southeast to the intersection of Hwy 81 S and Crowell Road. Continue southeast along the south side of Covington Bypass and the west side of Lower River Road to the intersection of Lower River Road and Morningside Drive. Continue south to a point northeast of Fire Tower Road. Continue west to the intersection of Hwy 162 S and Fire Tower Road. Continue west to a point south of Rosie Lane and north of Rogers Lane. Continue west to a point southwest of Roseberry Lane and Lakeside Drive. Continue northwest crossing Hwy 81 S between Oak Hill Road and Wynfield Keep. Continue southwest following the north side of Hwy 81 S through the intersection of Hwy 81 S and Oak Hill Road. Continue west along south side of Oak Hill Road to the intersection of Cowan Road and Oak Hill Road. Continue west to a point north Atla Road and Belmont Circle. Continue southwest to a point southwest of Oak Hill Circle. Continue northwest to the intersection of Oak Hill Road and Smith Store Road.

The boundary for West Newton Elementary is as follows:

Begin at the Rockdale/Newton County line, at the intersection of Fairview Road and Salem Road. Continue southeast to a point east of Salem Cove Trail and west of Summer Walk Circle. Continue southeast to the intersection of Kirkland Road and Creekview Blvd. Continue south and southwest along west and south side of Creekview Blvd to a point northeast of Wisteria Blvd. Continue southwest to the intersection of Wisteria Way and Brown Bridge Road. Continue west on the north side of Brown Bridge Road to the intersection of Brown Bridge Road and Trailer Park Road. Continue southwest to the intersection of Salem Road and Smith Store Road. Continue southwest on the east side of Smith Store Road to the intersection of Smith Store Road and Mills Drive. Continue west to a point north of Sable Circle. Continue southwest to a point north of Adrians Lane and Clearbrook Drive. Continue northwest to the intersection of Brown Bridge Road and Christian Road. Continue north along the west side of Shoals Creek Road and northeast to a point east of Lanella Pkwy and west of Salem Branch Drive and north to a point east of E Brandy Shoals Drive and west of McGiboney Lane. Continue west to the Rockdale/Newton County line northeast to the intersection of Salem Road and Fairview Road.
