## Infinite Campus: Navigating the Parent Portal

Always begin work by logging into the Infinite Campus Portal. For more information, see the Infinite Campus: Accessing Parent Portal help guide.

Once logged in, parents will see the **Parent Home Screen**. It provides a brief attendance and assignment summary for all associated children. It also shows district announcements and recent messages.

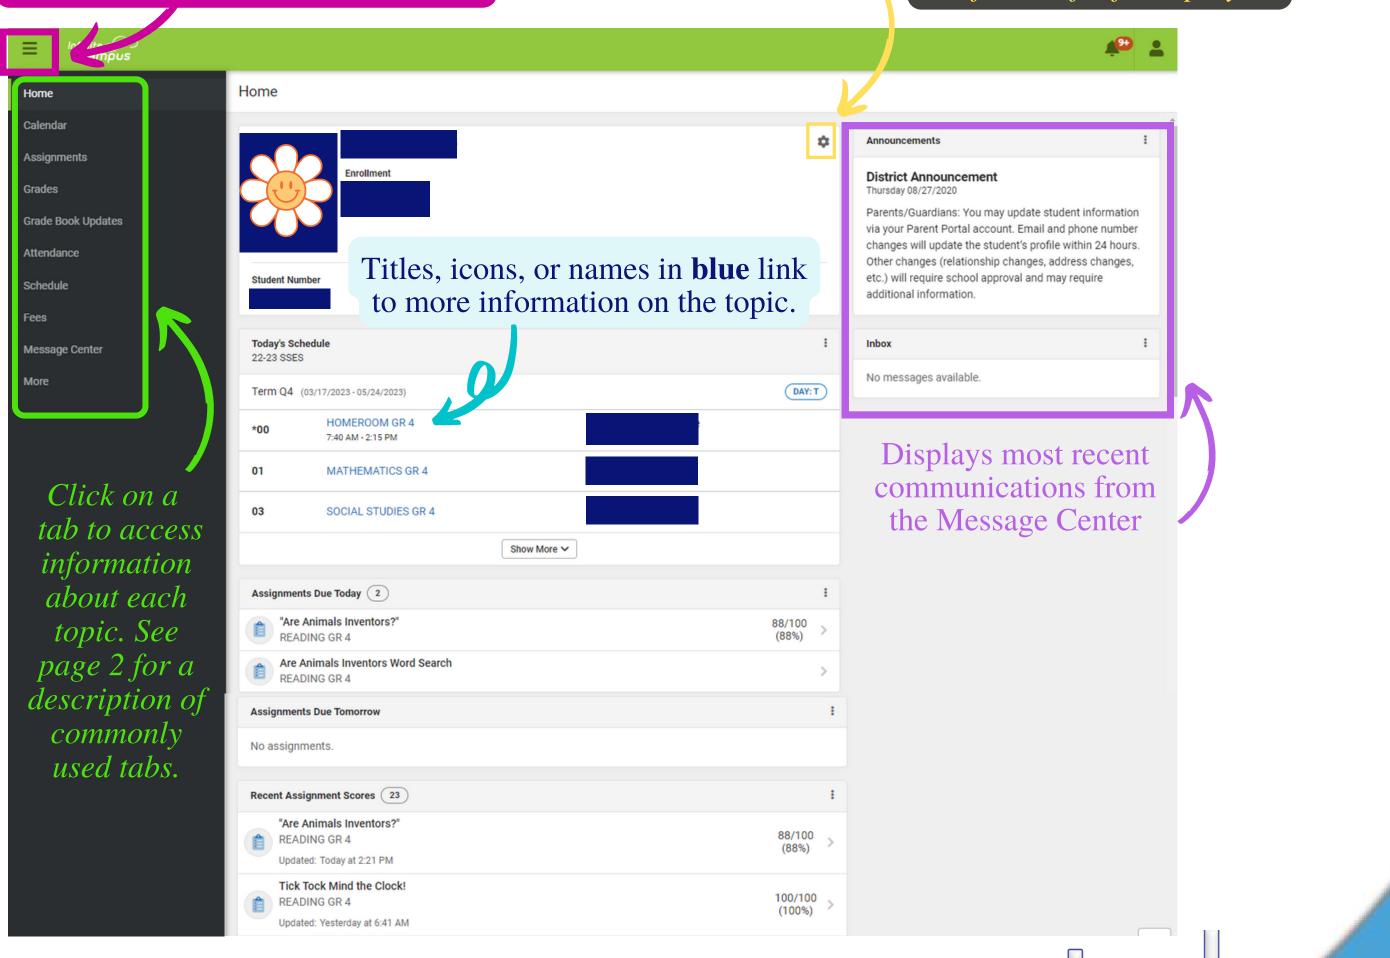

Click on a **Student Block** to access the Home Page for that student.

After clicking on a student, parents will see the student's **Home Screen**. It provides an overview of the student's updates and includes items needing attention, announcements, and messages.

Depending on the size of your screen, you may to need click this **Menu icon** show/hide the side bar.
